High Proficiency

EXPERINCE

Programs Management Office Director, Tanmia 360

Feb 2022, Nov 2024 – Benghazi

- I have maintained relationships with multiple stakeholders by conducting stakeholder meetings every 3 months.
- I have Monitored the implementation of 3 projects ensuring that the project managers are meeting the key objectives of the projects by using PM tools like "click up" and "Microsoft Planner".
- we have secured over 300,000 USD from grants and sponsorship by writing proposals and concept notes that are developed later into implementable projects
- I have managed a diverse team of 15 people, where we used tools that I mentioned above to monitor progress and establish daily meetings

Software Engineer Intern, Smart Group

Apr 2022, Jun 2022 – Remote

- Designed 3 mobile applications using Figma.
- Developed the back-end of a project management system using node.js and express.js.
- Developed a software requirement specification using the IEE standard
- Helped in the front-end development of the client company's website using vanilla HTML and CSS.

Technical Team Leader, Development Season Conference

Aug 2022, Oct 2022 – Benghazi

- Lead a team of 8 people with IT backgrounds
- Ensured that each of the team's tasks were done successfully
- I ran checkups 2 hours before the conference with the team
- I have planned the tasks and duties of each one of the team during the conference
